

# A complete industrial healthcare solution providing Annual medical check-up, periodic medical check-up and Pre-employment medical check-up.

We also have facility for conducting corporate health check-ups.

- ★ We have a team of professionals who meet the criteria of Factory act and OSHA certification for reporting and performing industrial check-up.
- ★ Our Annual medical check up programs identify any symptoms of major illness and also pinpoint potential areas of risk so as to prevent future health problems, thus lower the cost of future medical expenses.
- ★ We have central bar-code system for medical check-up completely eliminating human errors at various points starting from registration process up to report handover.
- ★ We have best in class setup and equipment which are regularly calibrated to give accurate results.
- ★ Our qualified and experienced staff makes onsite check-up easy and convenient for company.
- ★ Currently we are working with leading industries in Silvassa, Vapi, Daman & Sarigam.
